### Guidelines for the Presentation

The overall theme should be “what is the way forward for pensions?” which would include automatic adjustments or systemic reform as possible subheadings that countries could choose to concentrate on as part of the presentation.

Total Time Given:		20-25 minutes of presentation + 5-10 minutes of discussion
Total # of Slides:		10-15 slides
Content Structure:		Part 1. A brief summary of the pension system that exists – Slide 1~2
		Part 2. Current Issue and responses (reform, way forward) – Slide 3~10
		Part 3. Q&A (Answers to the questions received in advance from other participating countries) – Slide 11~12
		<b>Questions to Germany/Finland/Japan:</b> 1. Under what kind of circumstances AAM was introduced? 2. What were in the considerations when you designed the AAM? 3. What are the evaluations/outcomes of the reform now?
Part1	Slide 1:	Structure of your pension system i.e., basic, minimum, DB, NDC, DC etc.
	Slide 2:	Main parameters e.g., retirement age, contribution rate, accrual rate etc.
Part2	Slides 3,4:	Main current discussions/debates on pensions within the country
	Slides 5,6:	Main areas that you (presenter) see as being as issue in the future (e.g., low retirement age, too generous a pension, low contribution levels etc.)
	Slides 7,8:	Ideas for ensuring the long-term sustainability of the system/adequacy of pensions.
	Slide 9:	Are there any automatic adjustments built into the pension system/are there any being considered/do you think they would work
	Slide 10:	Summary
Part3	Slides 11,12:	Answers/comments on questions already provided from other countries.
** It is adaptable to individual countries in that some may need more than 2 slides for a particular area, but you need to keep the presentation to 20-25 minutes.
